

Treasurer's Report
Annual General Meeting – Sunday 27 October 2013

At the end of the second year as Treasurer I believe I have got to grips with financial matters on behalf of the Association. The accounts have been audited by a chartered accountant at no cost to the Association.

As previously any cheque transactions require two signatories.

Public Liability Insurance is in place for £5,000,000 and we continue as members of the Federation of British Historic Vehicle Club. This body keeps Associations like the FFA in touch with all the relevant regulations.

We continue a good relationship with Kelsey in respect of membership and the circulation of the Ford and Fordson Tractor magazine, both via their continuing sponsorship on a quarterly basis and receipt of £5 per annual membership we receive on a direct basis.

We continually promote the fact that direct membership with the FFA provides a huge benefit to the Association and to date we have established 492 members of our own, some of whom previously renewed with Kelsey.

We are able to offer discounted membership to match the offer advertised in each publication of the Ford and Fordson Tractors magazine.

£5 subscriptions were introduced last year and 41 people have taken advantage of this style of membership of the Association.

As last year, our income has increased considerably by the generous contribution of Tony Patten in relation to tractor registrations (a total of £2,356 in our financial year plus a further £1,115 between April and September).

Most importantly for the Committee, we have had fun at the various events attended during the year.

We look forward to your continuing support

Jane Broomhall
Treasurer/October 2013
